Independent Accountant's Review Report

To: The Board of Directors
BuildaBridge International
Philadelphia, PA

Report on the Financial Statements

We have reviewed the accompanying financial statements of **BuildaBridge International** (a Pennsylvania non-profit corporation), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion and only provided limited assurance.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with **Statements** on **Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA**. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of **BuildaBridge International** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our reviews.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

1. PROGRAMS AND ACTIVITIES

BuildaBridge International ("BaB") is a non-profit arts education and intervention organization that engages creative people and the transformative power of art-making to bring hope, healing, and resilience to children, families and communities living in contexts of crisis and poverty in Philadelphia and around the world. BaB accomplishes this through direct arts-based services and through training artists in the "BuildaBridge Classroom Model", a trauma-informed, hope-infused, child-centered replicable model that includes a restorative approach for working with youth. BaB was founded on the core values of love, compassion, justice, reconciliation, and service to others. Through these values, BaB seeks to motivate, enlist, train and connect those who have the desire to serve others through their artistic gifts with those in greatest need.

BaB engages the arts to bridge barriers of race, class, and ethnicity and to impact a child's academic, social, artistic and character development. Recognizing that in many communities the arts are not thought of as a vehicle for service, but rather an enjoyment reserved for the elite, BaB developed direct service programs that made the arts accessible to underserved populations, providing aesthetic nourishment, therapeutic intervention, holistic development as well as enjoyment.

Primarily a volunteer organization, BaB serves the community through three distinct and unique programs: the Community Arts Program, the BuildaBridge Institute, and consultation services. BaB receives grants and contributions to support its programs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed are described below.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, which require BaB to report information regarding its financial position and activities according to the following net asset classifications:

<u>Net assets without donor restrictions</u> - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of BaB. These net assets may be used at the discretion of BaB's management and the Board of Directors.

<u>Net assets with donor restrictions</u> - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of BaB or by the passage of time.

2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)</u>

All contributions and grants are considered to be available for unrestricted use unless specifically restricted by the donor. We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Use of Estimates

The timely preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Accounts Receivable

BaB considers its accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made. There are no receivables at December 31, 2022 or 2021.

Property and Equipment

Property and equipment are recorded at cost and depreciated on a straight-line method over the estimated useful lives of the assets. Expenditures for maintenance and repairs are charged against operations as incurred and major renewals and improvements are capitalized. No fixed assets currently are being depreciated.

Contributed In-Kind Services

Donated services are recognized as contributions in accordance with ASC No. 958-605-25-16, "Not-For-Profit Entities - Revenue Recognition - Contributed Services", if the services: (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. BaB also receives donated services through interns and other volunteers. No amounts for these donated services have been recognized in the accompanying statements of activities because the criteria for recognition of such volunteer effort have not been satisfied. A substantial number of volunteers have donated significant amounts of time in various capacities. However, the value of the services has not been recognized for reasons described above. Nonetheless, these services are critical to the successful completion of BaB's mission.

Income Taxes

BaB is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Management has adopted the accounting standard, "Accounting for Uncertainty Income Taxes." This standard clarifies the accounting and reporting of uncertainties in income tax positions taken or expected to be taken in filings with taxing jurisdictions, using minimum recognition and measurement thresholds.

Management has reviewed tax positions taken in filings with federal and state jurisdictions and believes those positions would be sustained should the filings be examined by the relevant taxing authority. These filings are subject to examination generally for three years after they are filed.

Should settlement of an examination or other event result in a change in management's evaluation of a tax position taken or expected to be taken in filings that have not been closed by statute or examination, any interest and penalties related to the unrecognized tax benefit as a result of the uncertain tax position would be included in interest expense and administrative expenses, respectively.

3. LIQUIDITY AND AVAILABILITY

	2022	2021
Total financial assets	\$ 8,433	\$ 26,385
Donor-imposed restrictions: Restricted funds		
Financial assets available to meet cash needs for general expenditures within one year	\$ 8,433	<u>\$ 26,385</u>

BaB manages its liquidity by operating within a prudent range of financial soundness and stability and maintaining adequate liquid assets to fund near-term operating needs. In addition to these available financial assets, a significant portion of BaB's annual expenditures will be funded by current year operating revenues including contributions, grants, and contract income.

During the years ended December 31, 2022 and 2021, BaB has been able to meet cash needs for general expenditures within each respective year.

4. CONCENTRATION OF CREDIT RISK

BaB maintains its operating cash at a local bank. These balances are insured by the FDIC up to \$250,000.

5. ALLOCATION OF FUNCTIONAL EXPENSES

The cost of providing the various programs and other activities has been summarized in general categories based on specific identification in the statement of functional expenses. Direct costs are allocated by specific identification and indirect expenses are allocated based upon salary expenditures.

6. PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at December 31:

	2022	2021
Capital improvements Leasehold improvements Furniture, fixtures, and equipment Pre-2008 assets	\$ 5,557 5,655 21,158 5,638	\$ 5,557 5,655 21,158 5,638
	38,008	38,008
Less: accumulated depreciation	(38,008)	(38,008)
Property and equipment, net	<u>\$ - </u>	<u>\$ -</u>

There was no depreciation expense for the years ended December 31, 2022 and 2021. All property and equipment have been depreciated in full over the course of each asset's life span. No new fixed assets were acquired for 2022.

7. <u>LEASING ARRANGEMENTS</u>

BaB has been renting office space on a month-to-month basis since its lease agreement expired in January 2018, at a monthly rental at \$200 per month. Rent expense including utilities was \$2,400 and \$1,600 for the years ended December 31, 2022 and 2021. The pandemic led to rent expense being significantly lower for the year ending December 31, 2021.

8. PAYROLL PROTECTION PROGRAM

In February 2021, the Organization received a second draw Paycheck Protection Program ("PPP") loan advance in the amount of \$8,707. The PPP is an initiative of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act passed by Congress in response to COVID-19.

Pursuant to the terms of the CARES Act, BaB has been granted forgiveness of the loan. The forgiveness took place in March 2022.

9. SUBSEQUENT EVENTS

In preparing these financial statements, management of BaB has evaluated events and transactions for potential recognition or disclosure through October 27, 2023, the date the financial statements were available to be issued.

There were no significant or material subsequent events through October 27, 2023.
